

MUSEUM MUSINGS

ITASCA COUNTY HISTORICAL SOCIETY

Mission is to connect people to the history of Itasca County.

Volunteers are number one to ICHS! Lori Huber began volunteering here 3 weeks ago and has now started our largest project yet “Inventory”! After labeling all the shelves in the Archives , Lori has began the process with the American Indian collection. This is one of the Feather Bustles, it is in good condition but was put in archival storage because it started to fade in the light. This inventory process will enable us to review the collection and make everything searchable.

“Itasca School Gallery” is under construction. The Exhibit will be opening on Thursday, February 24, 4:00 for members only and 5 to 7 for public.

This exhibit starts out with one room schools throughout the county. We will have stories, pictures and artifacts on display. The Grand Rapids North Star Women's Club will again be providing food for this event.

Visit the Itasca County Mississippi River story right here in the new “River Room”!
