ITASCA COUNTY HISTORICAL SOCIETY

Mission: Connecting people to the history of Itasca County.

Meet our new Research Assistant, Lori Huber. Lori has volunteered over the last two years and has started the inventory process of the downstairs collection.

You can make an appointment with Lori on Tuesdays and Thursdays from 10 to 3pm. You can also email your research requests to researchloriichs@gmail.com. Lori would love to have you stop in and enjoy a cup of coffee or tea. She is in only Tuesdays and Thursdays.

Lori's Lucky Find will be the name of her new Facebook live feeds on Tuesdays! This is her first find.... Stone knife used by Native Americans it's 5x2 Black Stone, Obsidian Rock used by Native Americans, thin & sharp. Found at Bigfork Golf Course, in 1990. ICHS no longer accepts Native American artifacts, they are all referred to the two reservations connected to Itasca County. Remember to check into Facebook and find out what Lori's Lucky Find will be next!

ICHS's coffin was used at the FFA Trunk or Treat with animals at the Itasca county Fairgrounds. ICHS volunteer Ruth Martin handed out almost 1000 pieces of candy! First time event, we all know next year it will be huge. Below is ICHS board member Ginny Frahm and her husband. They brought their dog Shadow, he was a hit with the kids. Fun!
